Bosse Niklasson

Seglare & akvarellkonstnär

Bosse målade en hel del under 1980-talet; främst tusch, akvarell & airbrush men familj och karriär tog allt mer tid så målandet fick gå på sparlåga. Yrkeslivet har till största del varit inriktat på fastighetsbranschen, först teknisk förvaltning och senare inom sälj, marknad & kundrelationer. Men Bosse har också arbetat som illustratör och varit grafiskt ansvarig/art director inom den internationella spelbranschen, där han ansvarade för layout av sällskapsspel, och har bland annat designat Rytterspelen, Bible Quiz med flera.

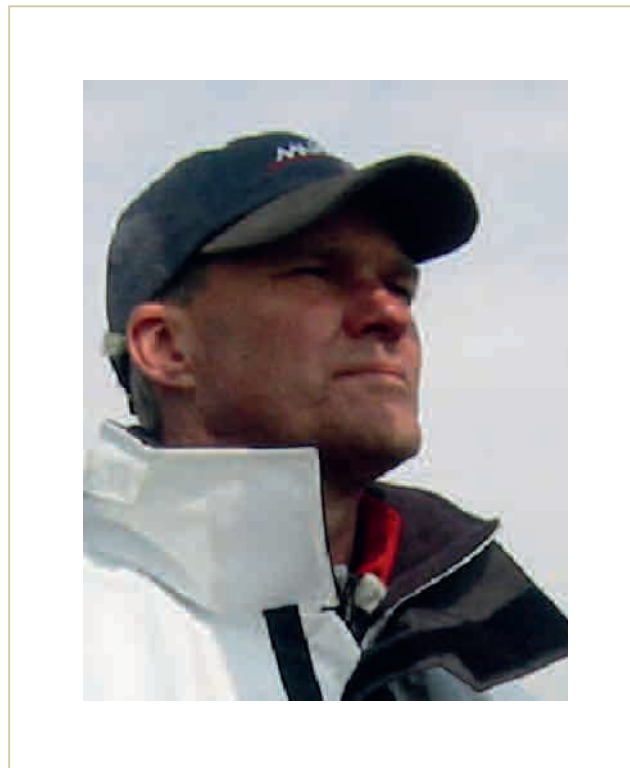

Sedan 2008 är han långseglare tillsammans med hustrun Heléne i deras segelbåt s/y seaQwest. Nu finns det tid & utrymme för andra intressen, bland annat akvarellmålning. Målar numera regelbundet, med sittbrunnen som ateljé, under de perioder båten ligger still. För ankar skapas det inspirerande tavlor med en personlig stil.

Mer om Bosse, tavlorna & vår långsegling hittar du på:

Sailor & watercolor artist

Bosse started to paint in the 1980's, mainly ink, watercolor & airbrush but when family and career started to take most of his time painting had to step back. Work for a pay check has mainly been focused on the real estate industry, first technical management and later in sales, marketing & customer relations. However, he has also worked as an illustrator and art director in the international gaming industry. There he was responsible for the layout and design of board games such as the Equestrian Games 1990 and the Bible Quiz among others.

Since 2008 he's blue water cruising together with his wife Heléne onboard their sailing yacht s/y seaQwest. Nowadays the painting is more regular and with the cockpit as a studio on a tranquil mooring he's creating fascinating and inspiring works of art with his own personal twist.
